La Conner ARTISTS' GALLERY

If you (or someone you know) is interested in joining this dynamic group of artists, please read on (or pass along).

Our Purpose: to support a vibrant community of emerging artists, providing then an opportunity to exhibit, sell and enhance that community with different styles of expression and media. Each artist is an integral part of the structure and operation of the group.

Application Requirements: Processing fee which includes the first month's rent, last month rent and processing.

Full space \$220.00 / Half space \$120.00

*Your application will be reviewed by members of the gallery and should be submitted with supporting documentation —photos of your work, biography, etc. and three original pieces with "suggested" retail price.

*Potential members will be juried by the active gallery members. You will be contacted concerning your approval.

*Once accepted, you can expect to have photos taken of your work for the purpose of advertising. You will also be expected to sign the artist's agreement, located on the back of this brochure and yearly thereafter. Failure to abide by the terms of the agreement can be cause for termination.

*Current commission is 80% artist / 20% gallery.

*Members contribute equally to the operations of the gallery including, but not limited to, serving on committees, staffing the gallery. When working in the gallery, you will conduct yourself as if it was your own business, but you are also representing the other artists in the gallery

Please list the items that you wish to have juried in. New or different items that you wish to add in the future will also need to be juried in before adding them to your space. Also note that your work will be exhibited year-round, with no exclusivity, meaning that you are free to show and sell your work in other venues outside of La Conner. Exhibiting inside La Conner City Limits must be approved by the Advisory Committee prior to displaying so an agreement can be made concerning the same.
